

## STE DESIGN GROUP SUPPORT REQUEST <sup>(1)</sup>

Need Date <sup>(2)</sup> :	Labor Code:	CWC Number:	
Project:		Keyword Title:	
Requester Name:		Phone Number:	Org. Code:
Signature:		Date:	

Will hardware produced by this request directly interface with flight hardware? <sup>(3)</sup> ☐ Yes ☐ No

[illegible]

☐ Provide \_\_\_\_\_ copies of 90M document(s) to Requester.

☐ Submit Fabrication Services Request(s) (MSFC Form 3751) with copies of 90M document(s) to Manufacturing.

☐ Store      ☐ Pickup By: ☐ Requester

☐ Other (name, phone): \_\_\_\_\_

Manufacturing Labor Code (if different from the labor code shown above): \_\_\_\_\_

☐ Other (Provide explanation in comments block above.)

NOTES	1. Refer to MWI 8060.2 for instructions and requirements when submitting this form.
	2. The need date must be realistic and provide sufficient time to complete each requested activity. Allowances must be made for any necessary external design reviews (Stress, Material, Safety, Quality, etc.) or Manufacturing. ED38 can not provide schedule or cost estimates for these activities.
	3. The "Yes" box should also be checked if interfacing hardware is under flight configuration control.

FOR ED38 INTERNAL USE ONLY
